Reviews: "imensely enjoyable"--Foreword Clarion Reviews "A picture book tells children that no matter what your size, you are perfect, you are a artist, I love love LOVE the art in this book. I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book :) Get it get it get it!"--Amazon.com Customer Review "Written in a very simple way but with a profound message for both adults and kids."--Amazon.com Customer Review "[...] readers will emerge from this book feeling slightly more confident about themselves - whatever their size."--Foreword Clarion Reviews
