~~Plan! Strategize! Build Real Wealth! Be proactive in your quest to live the life you dream of. Holding three Masters' Degrees and a qualified Financial Planner, Mortgage Planner, Mortgage Broker, Estate Agent and Property Advisor, Andrew Crossley of the Australian Property Advisory Group has launched a REVISED EDITION of his powerful blueprint for Property Investment success. Learn how to understand what you're really buying, and dodge the traps of spruikers and their dreaded up-sell techniques. Understand property, contract and loan types, savings that can be made on taxation, and how to avoid the pitfalls of rental property investment before you make the purchase. Get to know the rationale behind out-performing suburbs and many different strategies, and wonder why nobody ever explained to you there's advice out there that ethically represents the buyer and not the seller. "Becoming wealthy is a process," Andrew says. "You need to follow proven strategies. It is recommended that you seek the right advice before moving forward with your next purchase." Property Investing Made Simple is all about lowering risk when it comes to property investment, arming yourself with the information you need to take away your fears, and reduce the impact investing can have on your lifestyle. There's also a BONUS tip included and FREE access to interviews with industry experts.~~

~~This book can help every first home buyer tackle the affordability issues in the property market. It will assist every person wanting to refinance, debt consolidate, upsize, downsize, extend or renovate their property. Property investors will benefit with different finances strategies explained, and improve the ability to obtain finance.~~

~~A practical and detailed Australian guide exposing the 'secret recipe' of how to build, structure and automate a multi-million dollar property portfolio that will enable you to create financial independence and the lifestyle that you and your family deserve! - In this book you will discover advanced Australian property investing strategies, and learn specific real estate finance and property due-diligence methodology, that will give you the confidence and skills to start building your property portfolio as soon as you finish reading this book. - Learn how to set up your loans correctly, asset protection structures, and identify the very best areas for growth properties in Australia that will enable you to fast-track your ability to build a Multi-Million dollar property portfolio in your spare time. - This book reveals the 'secret recipe' on how to correctly structure your finances with the objective of maximising leverage and tax efficiency, whilst focusing on buying more investment properties and simultaneously paying off your home loan in record time, thus saving you tens of thousands of dollars in unnecessary interest payments over the life of the loan. - Gain insights on how to understand property cycles, state by state, and exactly how to hone in, with laser-like precision, on Melbourne's hot spots in 2020 and beyond. - How to conduct a cash-flow analysis in order to compare the advantages and disadvantages of different types of investment properties, i.e. house and land, townhouses or apartments. - How to identify, assemble, and leverage, the very best property consultants and property industry experts that will take years off your learning curve, and enable you to grow your portfolio in the most efficient way possible.~~

~~An essential resource tool for any serious property investor who is wanting to stake their claim in the 5.4 trillion dollar residential property market. ~~The all-in-one reference for the new residential real estate investor Australian Residential Property Development for Investors is the practical, step-by-step guide for beginners and experienced investors in the real estate and construction industries. From site selection to sale, this book walks you through each phase of the property development process to show you how careful planning can considerably enhance returns on your investment. This practical and effective guide features the latest information on development economics, the impact of electronic media, new cost-effective building methods, and a collection of case studies that illustrate these ideas in action. With a focus on practical outcomes, you'll learn how to approach the property from an investor's perspective to minimize risk and maximize returns. Australians have long had a love affair with residential property. We have one of the highest rates of home ownership in the world, and investing in residential real estate is a popular route to financial security. This book shows you how to make property development feasible within your time and budget constraints, netting you more profit and less headache. Select the site with the most profit potential, and find dependable financing Work more effectively with contractors, councils, consultants, and solicitors Apply standard monitoring and risk management techniques to your investment Cost and market the improved property appropriately to target the right buyers Newcomers are understandably overwhelmed by zoning, financing, construction, marketing, and everything else that goes into property development, frequently resulting in mistakes and missed profit. For the fledgling developer hoping to make the most of a new investment, Australian Residential Property Development for Investors provides all-in-one reference, with proven systems, techniques, and tools.~~

~~With more than 160 000 copies sold, From 0 to 130 Properties in 3.5 Years is Australia's highest selling real estate book -- ever! Scores of investors have used Steve McKnight's wealth building information to discover how to achieve their financial dreams. Now it's your turn. Using his incredible real-life account of how he bought 130 properties in 3.5 years, McKnight reveals how you can become financially free by using cash and cashflow positive property. Revised to incorporate the latest highly effective strategies, and rewritten to include 16 brand new chapters, this revised edition reveals: How to create a positive cashflow property portfolio from scratch -- even if you have little money and no experience Steve's New 1% Rule -- a simple four-step process for finding positive cashflow properties Exactly what and where to buy if you want to maximise your profits How to protect your wealth and save tax And much, much more ...~~

~~Fully updated new edition. This is not just another book on property investment. This book is a must read for Australias 1.7 million property investors and anybody contemplating investing in property. It is a plain English guide to understanding "the system" so investors get it working for them and not against them.~~
