Her story reflects the experiences common to many Indian communities in Latin America today. Rigoberta

suffered gross injustice and hardship in her early life: her brother, father and mother were murdered by the Guatemalan military. She learned Spanish and turned to catechist work as an expression of political revolt as well as religious commitment. The anthropologist Elisabeth Burgos-Debray, herself a Latin American woman, conducted a series of interviews with Rigoberta Menchu. The result is a book unique in contemporary literature which records the detail of everyday Indian life. Rigoberta ' s gift for striking expression vividly conveys both the religious and superstitious beliefs of her community and her personal response to feminist and socialist ideas. Above all, these pages are illuminated by the enduring courage and passionate sense of justice of an extraordinary woman.

EXPLORACIONES transforms students into culturally competent Spanish speakers by providing learning strategies, systematic self-assessments, integration of the National Standards, and a focus on the practical purposes of language study. Created through a “ student-tested, faculty-approved ” review process with thousands of students and hundreds of faculty, this text is an engaging and accessible solution. Experience Spanish: Un mundo sin límites, presents vocabulary and grammar in action through culture. With emphasis on the 5C's, the Experience Spanish program delivers dynamic opportunities for communicative practice in all course delivery formats built upon the following principles: Culture is core: Culture is infused throughout the program. The students' cultural experience and exposure is not limited to special cultural sections, but rather embedded in presentations as well as in vocabulary and grammar practice. The dedicated cultural sections are rich and varied: Entrada cultural, Expresiones artísticas, Notas culturales, Notas interdisciplinarias, Lectura cultural, Concurso de videoblogs, Conexiones culturales en vivo, and Conexiones culturales. These readings, videos, notes, and fine art presentations offer students extensive cultural perspectives and promote cross-cultural comparisons and connections. Language in action: Vocabulary in Experience Spanish is presented visually through colorful, engaging illustrations, and put into action with personal and communicative activities. Grammar points are introduced with contextualized short dialogues or cultural readings that immediately illustrate the concepts in action, allowing students to experience the structures in context before focusing on the forms and rules. Personalized experience: No two students are alike. Why should their learning paths be?
