Dark Days: A Memoir - Kindle edition by Blythe, Randy ... Being arrested in a foreign country for a crime you did not commit is a terrifying scenario and this book being an autobiography is a reflective and somber look on this horrible time in Blythes life. His writing makes the reader feel as though they experienced Czech prison and the horrors of

Memoir of the arrest, trial, and acquittal for manslaughter of Randy Blythe, lead singer of metal band Lamb of God.

In 2010, a nineteen-year-old super-fan rushed the stage during a Lamb of God concert in Prague. To protect himself, singer Randy Blythe pushed the fan away. Unbeknownst to Blythe, the young man hit his head on the floor when he fell and later died from the injury. Blythe was promptly incarcerated on charges carrying a prison term of five to ten years. Thirty-seven days later, he was released on bail to await trial. Although legal experts told him not to return to the Czech Republic to face the charges, Blythe explained that he 'could not run away from this problem while the grieving family of a dead young man searched hopelessly for answers that [he] might help provide.ⓘ After a five-day trial, he was acquitted on March 5, 2013. In Dark Days, Blythe tells the story of his incarceration and the wild life that led up to it. As he explains, **!Most substance abuse books end with the author getting sober. My book starts there.!**

Lamb of god vocalist D. Randall Blythe finally tells the whole incredible story of his arrest, incarceration, trial, and acquittal for manslaughter in the Czech Republic over the tragic and accidental death of a concertgoer in this riveting, gripping, biting, bold, and brave memoir. On June 27, 2012, the long-running, hard-touring, and world-renowned metal band lamb of god landed in Prague for their first concert there in two years. Vocalist D. Randall "Randy" Blythe was looking forward to a few hours off--a rare break from the touring grind--in which to explore the elegant, old city. However, a surreal scenario worthy of Kafka began to play out at the airport as Blythe was detained, arrested for manslaughter, and taken to Pankr Prison--a notorious 123-year-old institution where the Nazis' torture units had set up camp during the German occupation of then-Czechoslovakia, and where today hundreds of prisoners are housed, awaiting trial and serving sentences in claustrophobic, sweltering, nightmare-inducing conditions. Two years prior, a 19-year-old fan died of injuries suffered at a lamb of god show in Prague, allegedly after being pushed off stage by Blythe, who had no vivid recollection of the incident. Stage-crashing and -diving being not uncommon occurrences, as any veteran of hard rock, metal, and punk shows knows, the concert that could have left him imprisoned for years was but a vague blur in Blythe's memory, just one of the hundreds of shows his band had performed over their decades-long career. At the time of his arrest Blythe had been sober for nearly two years, having finally gained the upper hand over the alcoholism that nearly killed him. But here he faced a new kind of challenge: jailed in a foreign land and facing a prison sentence of up to ten years. Worst of all, a young man was dead, and Blythe was devastated for him and his family, even as the reality of his own situation began to close in behind Pankr Prison's glowering walls of crumbling concrete and razor wire. What transpired during Blythe's incarceration, trial, and eventual acquittal is a rock 'n' roll road story unlike any other, one that runs the gamut from tragedy to despair to hope and finally to redemption. While never losing sight of the sad gravity of his situation, Blythe relates the tale of his ordeal with one eye fixed firmly on the absurd (and at times bizarrely hilarious) circumstances he encountered along the way. Blythe is a natural storyteller and his voice drips with cutting humor, endearing empathy, and soulful insight. Much more than a tour diary or a prison memoir, Dark Days is D. Randall Blythe's own story about what went down--before, during, and after--told only as he can.

The incredible memoir from Lamb of God frontman, Randy Blythe. In 2010, a nineteen-year-old super-fan rushed the stage during a Lamb of God concert in Prague. ""THE INSTANT NEW YORK TIMES BESTSELLER"" **!A Gen-X This Boy's Life...Music and his fierce brilliance boost Jollett; a visceral urge to leave his background behind propels him to excel... In the end, Jollett shakes off the past to become the captain of his own soul. Hollywood Park is a triumph.**" **!O, The Oprah Magazine "This moving and profound memoir is for anyone who loves a good redemption story."** **!Good Morning America, 20 Books We're Excited for in 2020** "Several years ago, Jollett began writing Hollywood Park, the gripping and brutally honest memoir of his life. Published in the middle of the pandemic, it has gone on to become one of the summer's most celebrated books and a New York Times best seller..." **!Los Angeles Magazine HOLLYWOOD PARK is a remarkable memoir of a tumultuous life. Mikel Jollett was born into one of the country's most infamous cults, and subjected to a childhood filled with poverty, addiction, and emotional abuse. Yet, ultimately, his is a story of fierce love and family loyalty told in a raw, poetic voice that signals the emergence of a uniquely gifted writer. We were never young. We were just too afraid of ourselves. No one told us who we were or what we were or where all our parents went. They would arrive like ghosts, visiting us for a morning, an afternoon. They would sit with us or walk around the grounds, to laugh or cry or toss us in the air while we screamed. Then they'd disappear again, for weeks, for months, for years, leaving us alone with our memories and dreams, our questions and confusion. ... So begins Hollywood Park, Mikel Jollett's remarkable memoir. His story opens in an experimental commune in California, which later morphed into the Church of Synanon, one of the country's most infamous and dangerous cults. Per the leader's mandate, all children, including Jollett and his older brother, were separated from their parents when they were six months old, and handed over to the cult's !School.ⓘ After spending years in what was essentially an orphanage, Mikel escaped the cult one morning with his mother and older brother. But in many ways, life outside Synanon was even harder and more erratic. In his raw, poetic and powerful voice, Jollett portrays a childhood filled with abject poverty, trauma, emotional abuse, delinquency and the lure of drugs and alcohol. Raised by a clinically depressed mother, tormented by his angry older brother, subjected to the unpredictability of troubled step-fathers and longing for contact with his father, a former heroin addict and ex-con, Jollett slowly, often painfully, builds a life that leads him to Stanford University and, eventually, to finding his voice as a writer and musician. Hollywood Park is told at first through the limited perspective of a child, and then broadens as Jollett begins to understand the world around him. Although Mikel Jollett's story is filled with heartbreak, it is ultimately an unforgettable portrayal of love at its fiercest and most loyal.**

"A minor classic in its laconic, spare, compelling evocation by a participant of the shifting moods and maneuvers of the most dangerous moment in human history."**!Arthur M. Schlesinger, Jr. During the thirteen days in October 1962 when the United States confronted the Soviet Union over its installation of missiles in Cuba, few people shared the behind-the-scenes story as it is told here by the late Senator Robert F. Kennedy. In this unique account, he describes each of the participants during the sometimes hour-to-hour negotiations, with particular attention to the actions and views of his brother, President John F. Kennedy. In a new foreword, the distinguished historian and Kennedy adviser Arthur Schlesinger, Jr., discusses the book's enduring importance and the significance of new information about the crisis that has come to light, especially from the Soviet Union.**

This emotional and honest novel recounts a young man's experiences during World War II and digs deep into what he and his fellow soldiers lived through during those dark times. The nightmares began for William Manchester 23 years after WW II. In his dreams he lived with the recurring image of a battle-weary youth (himself), "angrily demanding to know what had happened to the three decades since he had laid down his arms." To find out, Manchester visited those places in the Pacific where as a young Marine he fought the Japanese, and in this book examines his experiences in the line with his fellow soldiers (his "brothers"). He gives us an honest and unabashedly emotional account of his part in the war in the Pacific. **"The most moving memoir of combat on WW II that I have ever read. A testimony to the fortitude of man...a gripping, haunting, book."** --William L. Shirer

""THE SUNDAY TIMES TOP 5 BESTSELLER"" **!The tell-all memoir from the loudest, proudest Spice Girl ! and the truth behind the headlines. As one-fifth of the iconic Spice Girls and judge on X Factor and America's Got Talent, Melanie Brown, a.k.a Scary Spice, has been an international star since her twenties. Brutally Honest is an exposé of the struggles and acute pain that lay behind the glamour and success. With deep personal insight, remarkable frankness and trademark Yorkshire humour, the book removes the mask of fame and reveals the true story behind the Spice Girls, as well as the horror of her most recent marriage and her 10 year struggle to be free.**

As a child, Biddu dreamt of going west and making it big as a composer. At the age of sixteen, he formed a band and started playing in a cafe in Bangalore, his home town. At eighteen, he was part of a popular act at Trinca's, a nightclub in Calcutta devoted to food, wine and music. At nineteen, he had college students in Bombay dancing to his music. In his early twenties, he left the country and ended up hitchhiking across the Middle East before arriving in London with only the clothes on his back and his trusty guitar. What followed were years of hardship and struggle but also great music and gathering fame. From the nine million selling "Kung Fu Fighting" to the iconic youth anthem of "Made in India" and the numerous hits in between, Biddu's music made him a household name in India and elsewhere. In this first public account of all that came his way: the people, the events,the music tours and companies Biddu writes with a gripping sense of humor about his remarkable journey with its fairy tale ending. Charming, witty, and entirely likable, Biddu is a man you are going to enjoy getting to know.

NEW YORK TIMES BESTSELLER **!I come from a family forged by tragedies and bound by a remarkable, unbreakable love.ⓘ Hunter Biden writes in this deeply moving memoir of addiction, loss, and survival. When he was two years old, Hunter Biden was badly injured in a car accident that killed his mother and baby sister. In 2015, he suffered the devastating loss of his beloved big brother, Beau, who died of brain cancer at the age of forty-six. These hardships were compounded by the collapse of his marriage and a years-long battle with drug and alcohol addiction. In Beautiful Things, Hunter recounts his descent into substance abuse and his tortuous path to sobriety. The story ends with where Hunter is today:a sober married man with a new baby, finally able to appreciate the beautiful things in life.**
