This is a book that you gives you a lot of reference knowledge about Canada (#917 at the library) and a lot of contact information for the education industry, schools and colleges.

Now in its second edition, this manual prepares students for careers in public policy development by exploring both the factors involved in recognizing and resolving public problems and the dynamics that affect the development process. Siu presents six principles for developing good policy and outlines the various approaches used to determine issues, conduct research, formulate policy options and recommendations, and derive intelligent decisions. Developing Public Policy connects the abstract idea of policy with the practical reality of creating it, providing the reader with the necessary knowledge, tools, and skills to navigate the complexities of policy development in Canada. Thoroughly updated, this second edition details newly developed policy topics and areas, including a new chapter on post-policy considerations and more than double the amount of exercises to practice policy writing and consultations. Featuring questions for critical thought and real-life case examples grounded in the author's experience as a civil servant, Developing Public Policy is an essential guide for students of public policy, public administration, political science, health policy, and human rights and equity.

For almost fifty years the Jewish Travel Guide has been the essential reference book for all Jewish travellers worldwide - whether travelling on business, for pleasure, or to seek their historical roots. Rigorously edited and up-dated every year, each country has a short commentary including demographic details, emergency numbers, and dialling codes. Other information includes restaurants, mikvaot, synagogues, theatres, embassies, museums, hotels, booksellers, cultural festivals, media, community organisations, groceries, bakeries, kosher food, butchers, delicatessens, libraries, and tourist sites. There's even a guide to kosher fish across the world. The Jewish Travel Guide is universally recognised as the ultimate source of information for the Jew abroad. The Jewish Review says, "It is a must for every traveller", the Jewish Chronicle observes, "The book validates its motto: 'Don't go without it'", while The Jerusalem Post comments, "The Guide offers a well-rounded demographic portrait of world Jewry today, serving as much as a handbook and resource for professionals in the Jewish world, as a travel guide." The Jewish Travel Guide is the essential travelling companion, making your journey even easier and more pleasurable!

'I cannot imagine setting sail without it' SAIL 'A must for all aspiring ocean crossers' Yachting World We call it 'The Pond', yet the Atlantic Ocean covers one fifth of the surface of our planet and one third of its surface area of water. It is still a mighty big pond to cross! Realising the dream of an Atlantic crossing remains a challenge but the rewards are many and lifelong. The Atlantic Crossing Guide is well established as the standard reference for anyone planning an Atlantic voyage, whether via the trade wind route to the Caribbean or to Europe from the United States. The better prepared you are the greater your chances of success. Packed full of the collective wisdom of cruising sailors over four decades, this new edition has been updated to include advice on: PREPARATIONS · suitable boats, including considerations of hull integrity · equipment and maintenance · advances in navigation and communications systems · access to weather and routing information · the balance of power input and usage · planning for hurricane season · risk management · crew harmony and health · provisioning PASSAGE PLANNING · Atlantic weather systems, including tropical waves and hurricanes · common routes and timings across the Atlantic · seasonal cruising along bordering coasts and within Atlantic island groups · fog and ice in the higher latitudes · key landfalls 'A fantastic amount of information' Yachting Monthly

Passport's Direct from Ireland series brings you all the charm of Dublin, the Wicklow hills, and the Boyne Valley. Its authors, Paul Cullen and Ken Boyle, native Dubliners, write about the city with humor and affection.

"Prepared for the Office of the Assistant Secretary of the Army, Installations, Energy & Environment."
