The Trial of the Staff { think The Hunger Games' Reaping Ceremony } is an event that brings Elementals to life. Those who transform into a wolf while touching the staff are immediately enrolled in Ulfar Academy to train as Ice Wolves; those who fail to transform are mere mortals. Then there are the rare few whom transform into Scorch Dragons.

From New York Times bestselling author Amie Kaufman comes the first book in an electrifying series about a brother and sister who must harness their powers and find their place in a sharply divided world. Everyone in Vallen knows that ice wolves and scorch dragons are sworn enemies who live deeply separate lives. So when twelve-year-old orphan Anders takes one elemental form and his twin sister, Rayna, takes another, he wonders whether they are even related. Family or not, Rayna is Anders's only true friend. She's nothing like the brutal, cruel dragons who claimed her as one of their own and stole her away. To rescue her, Anders must enlist at the foreboding Ulfar Academy, a school for young wolves that values loyalty to the pack above all else. But for Anders, loyalty is more complicated than obedience, and friendship is the most powerful shapeshifting force of all.

'[A] CLIFFHANGER ENDING LEAVES[S] READERS WANTING MORE' - Kirkus on Ice Wolves After the fateful battle between the ice wolves and scorch dragons, Anders and his twin sister, Rayna, have been reunited. But there's no time for celebrating. Anders and his wolf friend Lisabet are hiding away in the mountains of Drekheim under the watchful eye of the dragon high council. They are perceived as threats, and only the leader of the dragons can keep them safe. Then the temperature in Drekheim starts to drop throughout Vallen, threatening the lives of the Scorch Dragons. Suddenly, the dragons suspect that the two young wolves are spies for their old pack—that they helped them steal a weather-altering artifact called the Snowstone. The artifact puts everyone including Anders' twin sister, Rayna, in terrible danger. Desperate to broker peace, Anders enlists the help of a few new flame-breathing friends to stop the wolves' next plan of attack. Together, these former rivals must go on a perilous journey to find the scattered pieces of the Sun Scepter, the only artifact that can counteract the Snowstone. Because if either device goes unchecked, all hope for a truce will be lost. New York Times bestselling author Amie Kaufman delivers the thrilling second installment in this epic middle-grade fantasy series about a world where powerful magical shapeshifters are locked in a conflict that has spanned generations. The much-anticipated finale to Amie Kaufman's epic middle-grade trilogy Though Anders and his friends have delayed a war between the ice wolves and scorch dragons, their mission isn't over. With adults on both sides looking for them, they've sought refuge in Cloudhaven, a forbidden stronghold created by the first dragonmths. The ancient text covering Cloudhaven's walls could be the key to saving their home -- if only the young elementals could decipher it. To make matters worse, Holbard is in ruins and its citizens are reeling. Many have been forced into bleak camps outside the city, and food is running short. To rebuild Vallen, Anders, Rayna, and their allies must find a way to unite humans, ice wolves, and scorch dragons before they lose their last chance. In the final book of international bestselling author Amie Kaufman's sensational adventure series, Anders and Rayna must put everything on the line -- and the price of peace may hit closer to home than they could've ever imagined. PRAISE FOR SCORCH DRAGONS: 'I found a satisfying fantasy world like none I have read before - one in which dragons and wolves take human form and have magical powers. One of the strengths of this book is the exploration of the idea that truth is a matter of perspective - that there are two (or more) sides to every story. There is no clear enemy, the conflict arises from the tension between the dragons and the wolves, and the reader can empathise with both sides, even though many of the adults in the story cannot ... This is a great book for middle-grade readers 8-12.' - Reading Time PRAISE FOR ICE WOLVES: 'An engaging world and cliffhanger ending leave readers wanting more' -- Kirkus, starred review 'Engaging to the end' -- Books+Publishing 'you'll wind up on the edge of your seat, unable to put it down' -- New York Times bestseller Meagan Spooner 'A thrilling, nonstop adventure' -- New York Times bestseller Shannon Messenger

Bestselling authors Amie Kaufman and Ryan Graudin invite readers into a wondrous world where lost things are found, and where two cousins must come face-to-face with the impossible.. Whenever Jake and Marisol get together, adventure follows. They have their late Nana to thank for that. Her epic trips and treasure hunts were legendary. With the whole family reuniting for one last summer vacation at Nana's home, the cousins are prepared for an extraordinary trip of their own. Following a map Nana left behind, Jake and Marisol sneak out to a nearby lighthouse--then accidentally slip into another world! The World Between Blinks is a magical place, where all sorts of lost things and people wind up. Everywhere they turn, the cousins find real mysteries from history and a few they thought were just myths, from pilot Amelia Earhart to the fabled city of Atlantis. But the man who holds the key to Jake and Marisol's journey home doesn't want to be found . . . and if the cousins don't catch him fast, they could end up lost in this world forever. This first book in an exciting, fast-paced fantasy adventure series--featuring fun, interesting facts about history--is perfect for fans of Chris Colfer's Land of Stories and Margaret Peterson Haddix's The Missing series!

From the Booker Prize-winning author of Possession comes this richly imaginative story collection that transports the reader to a world where opposites--passion and loneliness, betrayal and loyalty, fire and ice--clash and converge. A beautiful ice maiden risks her life when she falls in love with a desert prince, whose passionate touches scorch her delicate skin. A woman flees the scene of her husband's heart attack, leaving her entire past behind her. Striving to master color and line, a painter discovers the resolution to his artistic problems when a beautiful and magical water snake appears in his pool. And a wealthy Englishwoman gradually loses her identity while wandering through a shopping mall. Elegantly crafted and suffused with boundless wisdom, these bewitching tales are a testament to a writer at the height of her powers.

When Earth intercepts a message from a long-extinct alien race, it seems like the solution the planet has been waiting for. The Undying's advanced technology has the potential to undo environmental damage and turn lives around, and Gaia, their former home planet, is a treasure trove waiting to be uncovered. For Jules Addison and his fellow scholars, the discovery of an alien culture offers unprecedented opportunity for study... as long as scavengers like Amelia Radcliffe don't loot everything first. Mia and Jules' different reasons for smuggling themselves onto Gaia put them imediately at odds, but after escaping a dangerous confrontation with other scavvers, they form a fragile alliance. In order to penetrate the Undying temple and reach the tech and information hidden within, the two must decide the ancient race's secrets and survive their traps. But the more they learn about the Undying, the more their presence in the temple seems to be part of a grand design that could spell the end of the human race...

Our heroes are back . . . kind of. From the bestselling co-authors of the Illuminae Files comes the second book in the epic Aurora Cycle series about a squad of misfits, losers, and discipline cases who just might be the galaxy's best hope for survival. First, the bad news: An ancient evil--your standard consume-all-life-in-the-galaxy deal--is about to be unleashed. The good news? Squad 312 is here to save the day. As soon as they'vejust got to take care of a few small distractions first. Like the clan of gremps who are holding a serious grudge against the squad. And a bunch of illegit GIITA agents with creepy flowers where their eyes used to be. Then there's Kal's long-lost sister, who's not exactly happy to see him.But with the reappearance of the colony ship that Auri was found on, new clues about Auri--and her powers as a Trigger--begin to come to light. And just in time. Because if Auri can't learn to master her powers, the squad going to be soooo dead.Shocking revelations, bank heists, mysterious gifts, inappropriately tight bodysuits, and an epic firefight will determine the fate of the Aurora Legion's most unforgettable heroes--and, you know, the rest of the galaxy.
