This book provides a fresh approach to building a fashion business. I believe that both academics and startup businesses would find this book useful. Karen Edwards, University of South Carolina, USA I think that this text will be very useful to anyone working in fashion. I would certainly recommend it as reference reading to MBA students and to undergraduates who are taking entrepreneurship courses. Thomai Serdari, New York University, USA Learn how to protect your business through prevention with a fashion compliance program. The book takes a merchandise-centric how-to approach. It explains the laws related to fashion compliance including, labeling, marketing, testing, importing and exporting, record keeping, and more. Written by a fashion-law expert, the book includes interviews with professionals and discusses the European Union apparel label law, as well as relevant United States' laws, to help you run your fashion business.

European Fashion Law: A Practical Guide from Start-up to Global Success provides an accessible guide to the legal issues associated with running a fashion business in Europe. This concise book follows the lifecycle of a fashion business from protecting initial designs through to global expansion. Readers will benefit from: - The logical and easy-to-follow structure which highlights relevant legal considerations at each stage in the development of a fashion business - First-hand, practical guidance on commercial issues associated with the fashion industry, including: how to avoid costly legal disputes, launching a website and working with third parties - Advice on how to protect a company's intellectual property at each stage of business development: from registering designs to combating counterfeits - A concise overview of relevant EU legislation and case law as it applies in practice. This inherently practical book will be a helpful go-to guide for those running a fashion business and for their in-house legal teams. For lawyers in practice the book will be useful point of reference when advising fashion and retail clients. For students of fashion, design, retail, or intellectual property, this book will provide a practical grounding to accompany academic studies. <https://www.europeanfashionlaw.com/about-the-book>

A comprehensive guidebook to the Australian legal aspects of starting, operating, growing and selling a fashion brand. Topics include choosing a business structure, trademarks, copyright, counterfeits, social media, employees and contractors, manufacturing, labelling, importing, international expansion, leasing, wholesale, retail, consumer and competition laws, contract management, celebrities, ambassadors and athletes, events, photoshoots, films, insurance, tax, funding, buying another brand and exit (MBO, trade sale, IPO). The book is written using easy-to-understand English in a conversational style. The principal audience for the book are creatives who either want to DIY, or at least understand the broader legal aspects of running a fashion business.

FASHION LAW AND BUSINESS unravels the complexity and provides clear guidance on the wide range of legal and business issues faced by fashion industry participants, including designers, suppliers, manufacturers of apparel and accessories, and retailers. Topics include: The considerations involved in starting a company in the fashion industry, including developing a business plan, determining the form and structure of the legal entity, and obtaining financing; How patent, trademark, and copyright law have been applied to the fashion industry and their impact in such areas as gray market goods and counterfeiting. The dynamics of retail sales in the apparel industry, including a discussion of e-commerce and mobile commerce. FASHION LAW AND BUSINESS provides you with an integrated, comprehensive guide to the issues affecting the fashion industry today.

Navigating Fashion Law provides an authoritative, insiders perspective on working with fashion clients to build, protect, and expand their business. Featuring experienced fashion law practitioners, this book guides the reader through the legal side of the fashion industry, including the origins of this area of law, recent trends, and forecasts for the future. From intellectual property and employment to real estate and mergers and acquisitions, these top lawyers detail the multidisciplinary issues that lawyers face, and present strategies for dealing with them. With advice that applies to both start-ups and established brands, these authors discuss how to understand a clients business, negotiate licensing deals, and protect trademarks. These experts also analyze noteworthy case law, such as the Louboutin Red Sole case, and controversial legislation, such as the Innovative Design Protection and Piracy Prevention Act. Additionally, these leaders reveal concrete tips for becoming a successful fashion lawyer and developing the skills necessitated by the demands of fashion clients and the ever-evolving fashion industry. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts on the keys to success within this competitive field.

Divided into four seasons and discussing more than 30 cases concerning some of the most recognizable names in the business, The Little Book of Fashion Law looks at the many issues of this fascinating legal arena, including Fashion Law and Intellectual Property, Business, Trade, Litigation, Consumer Protection and more! Explore the glamour and grit of the fashion world in this fun look at the stories behind the dresses, sunglasses, perfumes, and handbags.

This casebook is the first to cover the new and rapidly growing field of Fashion Law. The fashion industry (a \$1 trillion-plus global sector) is twice as large as all entertainment sectors added together and generates a high volume of unique and complex legal issues. First among these are intellectual property issues, which are examined and analyzed here in depth. Fashion licensing, anti-counterfeiting, international trade and business operations are also covered. Authors Guillermo C. Jimenez (Fashion Institute of Technology, NYU Stern School of Business) and Barbara Kolsun (General Counsel -- Stuart Weitzman, Cardozo Law School, NYU Law School) were founding pioneers of fashion law, creating the world's first committee on Fashion Law in 2005 and authoring the first American legal handbook on the topic in 2010.

"You can waste vast amounts of money by hiring the wrong lawyer while engaging in a high conflict divorce. Newman shows people the playbook and provides real tactics for breaking up in a more humane fashion." -Alec Baldwin, actor, producer, New York Times bestselling author The definitive guide to navigating divorce in today's world from one of America's top matrimonial lawyers. Marriage as we know it in America has changed—and so, too, has divorce. Women are outearning men. Fathers are winning custody battles. Same-sex marriage is law. In this remarkably insightful and clear guide, elite New York City divorce attorney Jacqueline Newman shares her secrets from over two decades in the trenches. This book will help you: -Decide whether you are actually ready to get a divorce -Protect your finances and understand division of assets -Find the right lawyer for your situation -Win the child custody schedule you want -Heal and stay sane in the midst of a disorienting time Over the course of her career, Newman has implemented her strategies and coached her clients round the clock on

how to navigate every aspect of their divorces. Now, in this landmark book, she offers the same tools and tactics to you. Newman also shines a light on the divorce industry where specialists of the trade financially benefit from drawn-out, high conflict cases. "Divorce," she says, "can be simple, even if it is not amicable." Filled with hard-earned wisdom and a touch of humor, *The New Rules of Divorce* is an essential read for anyone looking to emerge from their breakup stronger, happier, and secure.
