To escape her past, a young woman asks for help in the wrong place... Forsaken is a harrowing and compelling saga of triumph over tragedy that will not easily be forgotten, from the bestselling author of No One's Girl, Mothering Sunday and The Little Angel. Perfect for fans of Josephine Cox and Lindsey Hutchinson. Born on a Friday, Sophie Winters has always been a loving and giving child, whod'do anything for her family. Yet her father, Bill, has always seemed to resent her. For her father's sake, Sophie learns to live with Bill's animosity - until the night he drunkenly forces himself upon her. Left pregnant and ashamed at seventeen, Sophie doesn't know where to turn. So when she meets the charming Ben Lewis and he offers her refuge at his mother's hotel, she accepts. At first it seems that Ben and his mother are quite the good Samaritans. But there is little goodness in the Lewis hearts. As Sophie realises their dark intentions, a web of danger and deceit wraps itself around her. She knows if she is to survive, she will have to fight for all she's worth... What readers are saying about Forsaken: 'A fantastic novel!... The characters that have been created are lively and rounded... Once you start to read Forsaken you will not be able to put it down. It is a real page turner and each chapter leaves you wanting more. The only disappointing thing about the novel is that it ended.' 'It would normally take me a month to read any book but I could not put this book down. It was a story line that held you completely with the character Sophie, wishing you could help her yourself. The ending of the book was so unexpected and made me cry... well done Rosie, this book was amazing. Well worth reading.'

Originally published in hardcover by G.P Putnam Sons in 2014.

"A thought-provoking, poignant and unflinching novel." —Jean Kwok, New York Times bestselling author of Searching for Sylvia Lee
An unforgettable saga inspired by true events, The Last Exiles is a searing portrait of a young couple in Pyongyang and their fight for love and freedom Jin and Suja meet and fall in love while studying at university in Pyongyang. She is a young journalist from a prominent family, while he is from a small village of little means. Outside the school, North Korea has fallen under great political upheaval, plunged into chaos and famine. When Jin returns home to find his family starving, their food rations all but gone, he makes a rash decision that will haunt him for the rest of his life. Meanwhile, miles away, Suja has begun to feel the tenousness of her privilege when she learns that Jin has disappeared. Risking everything, and defying her family, Suja sets out to find him, embarking on a dangerous journey that leads her into a dark criminal underworld and tests their love and will to survive. In this vivid and moving story, award-winning filmmaker Ann Shin offers a rare glimpse at life inside the guarded walls of North Korea and the harrowing experiences of those who are daring enough to attempt escape. Inspired by real stories of incredible bravery, The Last Exiles is a stunning debut about love, sacrifice and the price of liberty.

In care at four. A runaway at six. On the streets at fifteen. For some kids, there's no hope. Rosie Goodwin writes an unforgettable saga in The Boy From Nowhere, a tale of a young boy's desperate search for a place to call home. Perfect for fans of Lindsey Hutchinson and Cathy Sharp. 'A touching and powerful new novel from a wonderful writer' - Bookseller Alex never stood a chance. After one 'accident' too many, he's taken into care aged four. Although his mother promises to get him back, he's adopted by a childless couple and renamed Franky. It should be a fresh start, but his new dad has a twisted idea of fatherhood. Abused and alone, Franky escapes - but his freedom is short-lived, and after a series of foster homes no one can get through to him. He says he's 'the boy from nowhere', but deep down he's still waiting for his mum to take him home. Franky slips into a dangerous world on the streets of London, earning a living the only way he can. One day he might find a way out, but can he ever trust again? What readers are saying about The Boy From Nowhere: 'You read the whole book waiting for a happy ending... When I finished the book I cried and cried and it has remained in my thoughts ever since. What an amazing author Rosie Goodwin is to be able to do that. From the New York Times bestselling author of Star Wars: Resistance Reborn comes the “engrossing and vibrant” (Tochi Onyebuchi, author of Riot Baby) first book in the Between Earth and Sky trilogy inspired by the civilizations of the Pre-Columbian Americas and woven into a tale of celestial prophecies, political intrigue, and forbidden magic. A god will return When the earth and sky converge Under the black sun In the holy city of Tova, the winter solstice is usually a time for celebration and renewal, but this year it coincides with a solar eclipse, a rare celestial even proscribed by the Sun Priest as an unbalancing of the world. Meanwhile, a ship launches from a distant city bound for Tova and set to arrive on the solstice. The captain of the ship, Xiala, is a disgraced Teek whose song can calm the waters around her as easily as it can warp a man’s mind. Her ship carries one passenger. Described as harmless, the passenger, Serapio is a young man, blind, scarred, and cloaked in destiny. As Xiala well knows, when a man is described as harmless, he usually ends up being a villain. Crafted with unforgettable characters, Rebecca Rowanrose has created a “brilliant world that shows the full panoply of human grace and depravity” (Ken Liu, award-winning author of The Grace of Kings). This epic adventure explores the decadence of power amidst the weight of history and the struggle of individuals swimming against the confines of society and their broken pasts in this “absolutely tremendous” (S.A. Chakrabarty, nationally bestselling author of The City of Brass) and most original series debut of the decade.
