Ludwig Van Beethoven (Revised Edition) (Getting to Know ...

An excellent book by John Suchet on Ludwig van Beethoven, an enigmatic composer who drew inspiration for his music from the environment around him, a prime example of this is his 6th Symphony, the Pastoral, where everything in his beloved Bavarian forest was put to music, from Dawn to Dusk, although the movements were symphonic in their composing, the actual music itself is more of a Musical Poem, nothing like a symphony at all.

Beethoven: The Man Revealed - revised & updated edition ...

The Ludwig van Beethovens Werke: vollständige kritisch durchgesehene überall berechtigte Ausgabe (which roughly translated means Ludwig van Beethoven's Works: complete, critical, thoroughly revised, authorized edition) was the first collected edition of the works of Beethoven. It was published between 1862 and 1865, with a supplementary volume appearing in 1888.

Beethoven Gesamtausgabe - Wikipedia

They were published between 1797 and 1817 and thus cover a large part of Beethoven's compositional lifetime, mirroring important stages of his musical development. Our revised edition incorporates the findings contained in the critical report of the Beethoven Complete Edition which was compiled at the same time.

Piano Sonata no.14 op.27/2 - "Moonlight" - piano - revised ...

His only opera, Fidelio, which had been first performed in 1805, was revised to its final version in 1814. He composed his Missa Solemnis in the years 1819–1823, and his final, Ninth, Symphony, one of the first examples of a choral symphony, in 1822–1824.

Ludwig van Beethoven - Wikipedia

In 1818 Beethoven worked on one of his most monumental piano sonatas, the Hammerklavier Sonata Op.106. 200 years later, Wiener Urtext Edition publishes a newly revised edition of this exceptional work. The problematic source material has been commented on in the preface as well as in the critical notes. This edition also contains a contribution by Johann Sonnleitner who sheds light on Beethoven's problematic metronome markings.

Beethoven: The Man Revealed - revised & updated edition ...

Clever illustrations and story lines give children a light yet realistic overview of this composer's life and style and music.

How hard is it to move 5 legless pianos 39 times? Beethoven owned five legless pianos and composed great works on the floor. His first apartment was in the center of Vienna's theater district... but he forgot to pay rent, so he had to move. (And it's very hard to move a piano. Even harder to move five). Beethoven's next apartment was in a dangerous part of town... so he moved, and the pianos followed on a series of pulleys. Then came an apartment with a view of the Danube (but he made too much noise and the neighbors complained), followed by an attic apartment (where he made even MORE of a ruckus), and so Beethoven moved again and again. Each time, pianos were bought, left behind, transported on pulleys, slides, and by movers, all so that gifted Beethoven could compose great works of music for the world.

Clever illustrations and story lines give children a light yet realistic overview of this composer's life and style and music.

Beethoven's Ninth Symphony, a masterpiece that has influenced virtually every Western composer since its premiere, has become associated with the marking of momentous public occasions. In 1989, Chinese students played its finale through loudspeakers in Tiananmen Square, and Leonard Bernstein led a performance in Berlin to celebrate the razing of the Berlin Wall. This lively and up-to-date book focuses on Beethoven's Ninth, exploring the cultural and musical meanings that surround this powerful work of genius. David B. Levy sets the scene with a brief survey of nineteenth-century Germanic culture and society, then analyzes the Ninth symphony in detail with special emphasis on the famous choral finale. He discusses the initial performances in 1824 under Beethoven's direction and traces the symphony's critical reception and legacy. In the final chapter of the book, Levy examines interpretations of the work by prominent conductors, including Wagner, Mahler, and Weingartner. A fully annotated discography of selected recordings completes this comprehensive volume.

First published in Berlin in 1991.

After learning that he is going deaf, Beethoven is determined to write a great symphony using the heroic deeds of Napoleon as his initial inspiration.

Presents a biography of Johannes Brahms

A detailed exploration of Beethoven's music which traces the relationships between particular emotional crises in his life and stylistic changes in his work

A colorfully illustrated fictional profile takes young readers on an imaginary tour of Beethoven's world in which a series of letters captures the genius's passion and dedication toward his music as he prepares to write yet another symphony. Reprint.
