saints and their depictions in medieval artworks, literature, and music. Mary Magdalene's many and various characterizations from reformed prostitute to conversion-figure to devotee of Christ to "apostle to the apostles" to spiritual advisor to the Prince of Marseilles to hermit in the desert, to list just a few examples, mean that the many conflicted representations of Mary Magdalene apply to a staggering variety of cultural material, including art, liturgy, music, literature, theology, hagiography, and the historical record. Furthermore, Mary Magdalene has grown into an extremely popular and controversial figure due to recent books and movies concerning her, and due to a groundswell of general speculation concerning her relationship to Jesus: was she his acquaintance, follower, companion, wife, family-member, or lover? This volume employs a broad spectrum of theoretical methodologies in order to present poststructuralist, postcolonial, postmodernist, hagiographic, and feminist readings of the figure of Mary Magdalene, addressing and interrogating her conflicting roles and the precise relationship between her sacred and secular representations.

Long maligned as a prostitute or a woman of questionable reputation, Mary Magdalene's murky story seems lost to the sands of time. Now a portrait of this enigmatic woman comes to life in the hands of an imaginative master storyteller. Diana Wallis Taylor's Mary is a woman devastated by circumstances beyond her control and plagued with terrifying dreams--until she has a life-changing confrontation with the Savior. Lovers of historical and biblical fiction will find this creative telling of Mary's story utterly original and respectful as it opens their eyes to the redeeming work of Christ in the lives of those who follow him.

This short riveting book takes you on a journey to reveal the

true facts about Adam, Eve, and Jesus Christ, using the most reliable source the King James Bible. The purpose of this book is to bring the readers into Gods current plan for all in the earth, so that all see his love and power through his people, the children of Israel.

The figure of Mary Magdalen has fascinated and perplexed people for centuries. She is portrayed in the Gospels as a neurotic woman, possibly with a past, yet she is the first to encounter the risen Christ and he charges her with the responsibility of proclaiming the resurrection. She is therefore Christianity's first evangelist - a difficult concept for churches with exclusively male hierarchies who prefer to think of her as just a reformed prostitute. The belief that Mary Magdalen was married to Jesus and that the Church has tried to suppress this truth was not invented in recent years but is almost as old as Christianity itself. This gives a grand tour through 2000 years history, art and tradition with surprises and discoveries all the way.

Women play an immensely important role in the Bible: from Eve to the Virgin Mary, Sarah to Mary Magdalene, Naomi to the anonymous woman suffering severe menstrual bleeding who was healed by Jesus. They are a sisterhood of faith. As such, they challenge many of our assumptions about the role of women in the development of the biblical story; about the impact of faith on lives lived in the 'heat and dust' of the real world. Here we will meet the prostitute who ended up in the genealogy of Jesus, a national resistance fighter, a determined victim of male sexual behaviour who challenged patriarchal power, a far from meek and mild mother of Jesus, a woman whose life has been so misrepresented that she is now the subject of the most bizarre conspiracy theories, and more. Renowned historians and Biblical scholars, Martyn and

Esther Whittock, take the reader on a fascinating journey, one unafraid to ask difficult questions, such as, 'Was Eve set up to fall?'

Mary Magdalene is one of the most influential symbols in the history of Christianity—yet, if you look in the Bible, you'll find only a handful of verses that speak of her. How did she become such a compelling saint in the face of such paltry evidence? In her effort to answer that question, Cynthia Bourgeault examines the Bible, church tradition, art, legend, and newly discovered texts to see what's there. She then applies her own reasoning and intuition, informed by the wisdom of the ages-old Christian contemplative tradition. What emerges is a radical view of Mary Magdalene as Jesus's most important disciple, the one he considered to understand his teaching best. That teaching was characterized by a nondualistic approach to the world and by a deep understanding of the value of the feminine. Cynthia shows how an understanding of Mary Magdalene can revitalize contemporary Christianity, how Christians and others can, through her, find their way to Jesus's original teachings and apply them to their modern lives.

Ingrid Maisch in this study of Mary Magdalene leads her readers throughout the centuries, developing the images of Mary current in each era, showing that she is always a bellwether for the image of woman at a particular time.

The Digby Play of Mary Magdalene is a rare, surviving example of the Middle English saint play. It provides a window on the deep embedding of biblical drama and performance in late medieval devotional practices, social

aspiration and critique, and religious discourses. Fully annotated and extensively glossed, this edition adds to the METS Drama series an essential resource for the study of late medieval English religious drama.

This book is the story of a physical ordeal, a liver transplant, which was also a profound spiritual transformation. By welcoming information from unusual sources—including dreams, visions, and synchronistic events—and deepening all of this into a coherent whole through the study of psychology, astrology, and art, Sara awakened to the realization that spirit infuses matter. Sara sought out the many faces of the sacred feminine, going beyond her traditional Christian upbringing and marking herself as a heretic. What no one could have predicted is that Sara's journey beyond Christianity—a journey that took her to the remote Australian outback, a sweat lodge in an Arizona desert, soaring cathedrals in the south of France, and a sterile operating room at Cedars Sinai Medical Center in Los Angeles—would return her to a home she never knew. As she listened for the first time to the stories she had never been told, she would meet Mary Magdalene as a shaman and understand her undying devotion to her beloved Jesus. It was through the Magdalene that Sara fully realized His promise that the kingdom of heaven is within. Mary Magdalene knew this in every cell of her being, and this knowledge is her gift to Sara. This book, beautifully illustrated with Sara's own paintings, offers a hopeful message to those facing life-threatening illness and traumatic loss and shows how physical ordeal is a spiritual opportunity. It speaks to heartbroken Christians who, like Sara, can find fresh inspiration in the original teachings of Jesus.
