About WICKED GAME - Lisa Jackson

I am a fan of Lisa Jackson and have read and enjoyed many of her books. This book was definitely not one of her best. I do want to read additional books in the colony series, which Wicked Game is a part of, with one stipulation. All the heroines, in this case Becca, can't be terminally stupid. "Spoiler Alert"!!!!

You Sense Him Some refer to it as the Colony. To others, it's a cult. But few locals in the Oregon coastal hamlet of Deception Bay have ever been invited to the inner sanctum of Siren Song. A startlingly authentic debut . . . first in a page-turning, searing new series. **NUMBER ONE BESTSELLER** **Shortlisted for the CWA John Creasey New Blood Dagger** **LoveReading Debut of the Month** 'Terse, tense and vivid writing. Matt Johnson is a brilliant new name in the world of thrillers. And he's going to be a big name' Peter James 'From the first page to the last, an authentic, magnetic and completely absorbing read' Sir Ranulph Fiennes _____ 2001. Age is catching up with Robert Finlay, a police officer on the Royalty Protection team based in London. He's looking forward to returning to uniform policing and a less stressful life with his new family. But fate has other plans. Finlay's deeply traumatic, carefully concealed past is about to return to haunt him. A policeman is killed by a bomb blast, and a second is gunned down in his own driveway. Both of the murdered men were former Army colleagues from Finlay's own SAS regiment, and in a series of explosive events, it becomes clear that he is not the ordinary man that his colleagues, friends and new family think he is. And so begins a game of cat and mouse - a wicked game, in which Finlay is the target, forced to test his long-buried skills in a fight against a determined and unidentified enemy. Wicked Game is a taut, action-packed, emotive thriller about a man who might be your neighbour, a man who is forced to confront his past in order to face a threat that may wipe out his future, a man who is willing to do anything to protect the people he loves. But is it too late? _____ 'Utterly compelling and dripping with authenticity. This summer's must-read thriller' J S Law 'Out of terrible personal circumstances, Matt Johnson has written a barnstormer of a thriller. Nothing is clear-cut in a gripping labyrinthine plot, which - despite thrills and spills aplenty - never falls short of believable' David Young 'Wicked Game has the authenticity I look for in a thriller. While the plot kept me turning pages, the characters made me care. Matt writes like a man who has lived it' Kevin Maurer 'Johnson litters his tale with the plotting equivalent of incendiaries: cops we don't quite trust, a career that came abruptly to an end, a secret needing to be kept . . . Gripping stuff' New Welsh Review
