Diva Diaries by Janine A. Morris - Goodreads

DIVA DIARIES is not a unique story, because it seemed to bemoan themes brought out in similar novels involving best female friends. These women were supposed to be strong and independent but when it comes to their relationships they seem to epitomize women with low self-esteem and appear to be weak-minded.

Diva Diaries was disappointing at best. Abdo New River Room at the Broward Center - Ft Lauderdale, I thought this would be a fun show to see. I found every aspect disappointing.
