Sensation & Perception

**(PDF) Sensation & Perception | Ronald Wolfson - Academia.edu**

George Malcolm Stratton (September 26, 1865 – October 8, 1957) was an American psychologist who pioneered the study of perception in vision by wearing special glasses which inverted images up and down and left and right. He studied under one of the founders of modern psychology, Wilhelm Wundt, and started one of the first experimental psychology labs in America, at the University of ...

**George M. Stratton - Wikipedia**

The company is also focusing on research and development based on discoveries involving human communication capabilities. In 2019, at one of their research facilities in Kyoto, they announced a variety of technologies based on human sensation and perception. This segment features the efforts and work of NTT's researchers.
