The book also covers her whole life, not just her marriage to the Duke of Windsor, and makes you seriously question how much of a "love story for the ages" their marriage really was. The Duke comes off quite badly, a petulant stalker who I thoroughly enjoyed this, but I think it had more to do with the woman it was about than the book itself.

The water of life that Jesus spoke of is a metaphor for spiritual washing and refreshment, which this woman needed more than she needed the water that she drew from the well each day. In John 7, Jesus mentions this water of life or living water again. "Jesus stood and said in a loud voice, 'Let anyone who is thirsty come to me and drink.

The first chart below shows life expectancy at birth for men and women. As we can see, all countries are above the diagonal parity line - this means in all countries a newborn girl can expect to live longer than a newborn boy. 1 Interestingly, this chart shows that while the female advantage exists everywhere, the cross-country differences are large.

Seen through the eyes of young Aliya, the narrative is limited to life inside the house. As the title signifies, the courtyard of the house was where the women spent their time, and in limiting the narrative to that courtyard Mastur explores the unique way in which women too became a part of the politics of that time.
