The Transformation of American Politics: The New ...

Leading young scholars take up these issues in The Transformation of American Politics. Arguing that even conservative administrations have become more deeply involved in managing our economy and social choices, they examine why our political system nevertheless has grown divided as never before over the extent to which government should involve itself in our lives.

The Transformation of American Politics: Activist ...

The contemporary American political landscape has been marked by two paradoxical transformations: the emergence after 1960 of an increasingly activist state, and the rise of an assertive and politically powerful conservatism that strongly opposes activist government. Leading young scholars take up these issues in The Transformation of American Politics.

The Transformation of American Politics: Activist ...

First, as *Messengers of the Right* shows, there was a long postwar tradition of conservative media activism in a time when partisan politics repeatedly disappointed the right: from Eisenhower to Goldwater to Nixon, media activists tried—and failed—again and again in their attempts to transform politics. And second, by the 1970s the first generation of conservative media was in decline: out of power, out of money, and out of influence.

"In recent decades, American politics has been transformed by the explosion of right-wing media outlets—from Rush Limbaugh and talk radio to Roger Ailes and Fox News to countless publishing imprints, websites, and little magazines.

Messengers of the Right | Nicole Hemmer

It is clear to historians of the recent era that a watershed of sorts occurred between 1954 and 1968 in the history of the United States, bringing an end to the postwar political consensus, and creating new political arrangements and new political values. The changes were not only ideological, but functional.
