### What If Latin America Ruled

Indeed, 'What if Latin America Ruled the World?' aims to transform our relationship with the dominant cultural models of nations that profitted from the centuries of conquest and colonisation. It also aims to propose what is available and possible by recreating a paradigm virtually lost to much of the modern world wherein community and quality of life lie at the heart of societal interests and activities.

About What if Latin America Ruled the World? For most Westerners, Latin America is the junior partner of the New World, an underdeveloped sibling to the US and Canada. The vibrancy of its culture is unquestionable, but the Spanish and Portuguese-speaking countries of Central and South America are easily typecast and overlooked as exotic, dangerous, and decidedly not part of the First World.
